Begleitwort.

Vorliegende drei kleine Zeitschriften sollen einem bescheidenen Versuch der zur Einführung des "Malerbuches" in der Elementarschule. Sie sollen den Elementarschülern, die aus irgend einem Grunde dieser Zeitschrift noch nicht bewußt sind, zeigen, was sie von Zeichnen auf dieser Höhe erwarten können. Den anderen Herren Kollegen, die bereits einen Versuch mit diesem Gebiete in ihrer Schule gemacht, sollen sie eine Aufmunterung sein, nicht "liegen" zu lassen, sondern immerfort auf ihr Ziel zu hinarbeiten. Die Zeitschriften sollen die besten Beispiele der Zeichnenkunst in der Schule ein besseres Verständnis einbringen. Dem Physiker zeigen werden sie ein wertvolles Material zum Studium der Kindersprache und der Entwicklung des Kindes beim Zeichnen in ihm manchen Fingerzeig zur Lösung wichtiger Fragen auf dem Gebiete der Psychologie geben.

Der wertvollste Teil dieser kleinen Zeitschriften sind die Aufzeichnungen von Zeichnen der I. II. u. III. Klasse (7. 8. u. 9. Altersjahre), denn fast alle Kinder zeichnen als erstes die Darstellung der Dinge aus dem Kopf, und dem Gebrauche in ganz markantester Weise wird dann, wenn sie dieselben
